Dear, Glee Baniago

I'm delighted to apply for the Web Developer position at HOOLI Software as a recent graduate in web development. My educational experience gave me a solid foundation in web design, HTML, and CSS. I can't wait to use this expertise and add to your prestigious group.

My experience comes from internships and school projects, but I'm a quick learner with a proven work ethic and a drive for constant growth. I think I can swiftly adjust to new difficulties and do well in fast-paced workplaces. The idea of working with the seasoned experts at HOOLI is really inspiring. Gaining knowledge from their experience would greatly advance my career.

I appreciate your consideration of my application. At your earliest convenience, I am available for an interview at 09267295383, jv060892zul@gmail.com.

Sincerely,

J Victorino G. Zulueta
